NOTE FOR: DDCI *Ha*

DDO _____

SUBJECT: Castro Allegations

Hank

I understand the DDO is preparing some sort of fact sheet on the Castro matter, which we can use in briefing our Committees first thing Monday. In addition to covering the individual directly involved, it should respond to the point-by-point allegations which Castro made in his speech. I am sure you will want to run all this by the Director first; however, we will certainly get pressure from all our Committees if we do not take the initiative and contact them first.
